VEHICLE INSURANCE

THE COVER YOUR LEXUS DESERVES.

Lexus owners value reliability and peace of mind motoring, which is why they choose Lexus Insurance to protect their pride and joy. Lexus Insurance has been trusted by thousands of New Zealanders for its unique benefits.

Why do I need Lexus Vehicle Insurance?

If you intend to buy a new or used vehicle, then you want an insurance package designed for your car.

OUR UNIQUE BENEFITS

4 Years replacement on new Lexus vehicles

If your new Lexus* is stolen or cannot be repaired to our standards, we'll replace it with a brand new vehicle of the same or similar specification, provided it is within 4 years of the date of purchase and it has travelled less than 140,000 kilometres during that time.

**Includes demonstrators that have travelled less than 5,000 kilometres when purchased.*

We'll pay the purchase price on used vehicles

If your used vehicle is stolen or damaged within the first 12 months of purchase from a Lexus Dealer and cannot be repaired to our standards, we will pay you the purchase price.

We'll fill the gap

If your vehicle is a total loss and the amount you owe Lexus Financial Services is more than you receive from us to settle your vehicle claim, we will pay the difference to a maximum of 20% of the vehicle's market value.

Lexus genuine parts and repair guarantee

We use Lexus genuine parts to repair your vehicle. Provided you use a Lexus nominated repairer, we will guarantee the quality of the workmanship on the repairs for as long as you own the vehicle.

Round the clock accident assistance

We'll provide you with round the clock accident assistance.

We'll get you home

If your vehicle cannot be safely driven after being stolen and/or damaged in an accident more than 100 kilometres from home, we will pay up to \$1,000 towards the cost of getting you, your vehicle and passengers home, to your destination, or for suitable alternative accommodation.

We'll keep you moving

If your vehicle is damaged or stolen, we'll provide either a repairer's courtesy vehicle or a rental vehicle for up to 30 days.

Excess free glass cover

You pay no excess when we replace or repair your vehicle window glass. When you choose our approved repairers, we use genuine Lexus glass wherever possible.

Electrical Vehicle Benefits

If your charging cable is stolen, lost or damaged, we will pay for a replacement up to \$3,500 or 10% of the vehicle's agreed value, whichever is lower. If your electric vehicle runs out of charge, it will be transported to the nearest public charging point at no cost.

We'll take care of you

With our additional vehicle cover and personal cover, you can have more benefits for less.
