TERMS AND CONDITIONS OF GUARANTEED MINIMUM VALUE CERTIFICATE

1. YOUR CHOICES

- At the end of your Lease (which can be earlier than the End Date of your Lease) you may if you wish (but not if subclause c applies) either:
 - return the Motor Vehicle to us under clause 2 of this Certificate, or
 - make an offer to buy the Motor Vehicle from us under clause 3 of this Certificate.
- For avoidance of doubt, if you do not use this Certificate the terms of your Lease continue to apply.
- You cannot use this Certificate if:
 - You are in default under your Lease, your Lease had been terminated by us or there is a security interest (other than ours) or other legal or beneficial interest in the Motor Vehicle; or
 - This Certificate has expired; or
 - TFNZ was not the Lessor under your Lease as at the End of your Lease; or
 - You have not paid the Return Fee of \$250.00.

2. OPTION – RETURNING THE VEHICLE TO US

If you wish to return the motor vehicle to us and you have not paid the Return Fee then the provisions of your Lease Agreement continue to apply instead of the provisions below.

- If you wish to return the Motor Vehicle, you must return the Motor Vehicle by the date and at the place specified by us. We will then arrange for a vehicle inspection report to be done (at your cost). If following the inspection the Motor Vehicle is not in as good condition and working order as it was at the start of your Lease (fair, wear and tear excepted) or does not have five sound tyres (not re-treads) of warrant of fitness standard, then you will owe the GST inclusive amount to reinstate the Motor Vehicle to the required condition ("reinstatement cost"). The reinstatement cost will be based on the estimated cost to reinstate by a motor vehicle repairer we have chosen.
- If, as at the Vehicle Return Date, you have gone over the Kilometre Allowance, you will owe us the Excess Kilometre Charge.
- We will let you know what any reinstatement cost will be and any Excess Kilometre Charge.
- If either the Net Sale Price or the GMV (whichever is the higher) is more than the Residual Value, we will pay you the difference. However we may reduce the payment to you by any amounts you owe us under clause 2a and 2b.
- If the Net Sale Price is less than the Residual Value you do not have to pay us any shortfall. However we may still require you to pay any amounts you owe us under clause 2a and 2b. if we ask you to.

3. OPTION – OFFER TO PURCHASE

- If you wish to buy the Motor Vehicle you must tell us (in writing) at least one month before the End Date.

If we agree to sell the Motor Vehicle to you:

 - the price will be the Residual Value which you can pay with your own money, or arrange to finance it; and
 - you must pay all outstanding moneys owing under your Lease within seven days of the Expiry Date as well as the Residual Value.

- b. If we do not agree to sell the Motor Vehicle to you, your Lease will end in accordance with its terms.
